Sir:

In accordance with the telephone discussion with the supervisor of the Examiner, SPE John Miller at around 2:45 p.m. on Thursday, 14 July 2005, it is the Applicants' understanding that the above-captioned application is not abandoned despite the fact that the Amendment in response to the third, non-final Office action mailed on 3 November 2004 (Paper No. 20041021) was filed on 19 May 2005, and despite the fact that, the Examiner stated that "the non-final Office Action dated Nov. 3, 2004 is correct and the period for respond to that Office Action will not be reset" (quoting from the last line on page 2 through first two lines on page 3 of the Notice of Non-Compliant Amendment mailed on 17 June 2005 (Paper No. 20050610)).

It is the Applicants' further understanding from SPE Miller, that because the Request for Clarification and Restart of Period for Response filed on 30 December 2004 (Paper No. 11) has been entered as a response to the 3 November 2005 Office action (Paper No. 20041021), Applicants are considered to have timely responded to the 3 November 2005 Office action (Paper No. 20041021). Consequently, the application is not abandoned.

PATENT  
P56382

*If Applicant's above understanding is incorrect, the Examiner is respectfully requested to immediately telephone Applicant's undersigned attorney.*
